

Gebesa

Italian craftsmanship, within **your reach**

A curated collection of
thoughtfully designed chairs
adapted to **deliver an optimum
seating experience.**

Our **Flora** chair is the first example of Italian
excellence in the collection and offers versatile
elegance in every combination.

Velia just fits anywhere, anyplace, anytime. Featuring
Italian craftsmanship that places ergonomics at the
forefront.

Celio is where elegance and design meet. Italian
sensibility imbued into every chair.

La bella vita,
at work

Upholstered **Flora** chair with Pulsar mechanism.
Ascend conference table.

Renaissance spirit,
in your space

The Renaissance held a simple belief: the things we use **every day** deserve the same care as the things we admire.

Velia was designed in that spirit.

Velia just fits anywhere, anyplace, anytime. Featuring Italian craftsmanship that places ergonomics at the forefront.

The Y-frame and the way the backrest opens feel sketched before they were engineered — every curve a negotiation between the designer's vision and the engineer's tolerances.

Powered By: Vibe and Lynx, the same Italian-engineered mechanisms and tolerances that run through the entire collection.

Velia belongs in any room.

BIFMA X5.1 certified — rigorously tested to support up to 300 lbs. 10-year frame-and-mechanism warranty.

Velia chair with Vibe mechanism.
Contempo conference table.

A large, white, angular stone sculpture, possibly a modern architectural element or a piece of art, sits on a terracotta-tiled patio. The sculpture has sharp, geometric edges and a smooth, slightly reflective surface. In the background, several potted cacti of various shapes and sizes are visible against a warm, orange-toned wall. The scene is bathed in warm, golden light, creating long, soft shadows on the tiles and the wall. A few smaller, irregular white stones are scattered on the ground near the base of the large sculpture.

As timeless as
the **Colosseum**

Celio chair with Lynx mechanism.
Ascend Benching, Fabric Screen.

Flora chair with Pulsar mechanism.
Ori screen, Ascend Desk.

Celio chair with Lynx mechanism.
Modular conference **rectangular table**.

Velia chair with Vibe mechanism.
